Total no of students : 46

Organised by : IT Department

Our tour started with lots of excitement and enthusiasm. The bus driving was quite smooth and easy as the bus was in good condition. The bus belongs to Shri Sant Gajanan Maharaj Sansthan ,Shegaon so students were instructed to behave properly and students were quit cooperative.

This journey had helped us to make the unity between the students. There were lots of fun during the whole journey.

We reached ALANDI at 2 am. Our accomodation was arranged in Alandi in Sansthans Bhakt Nivas. Everyone was tired due to such long distance journey.So everyone went to sleep as soon as the room were allocated.The accomodation was too good and dinner also.

04/10/18

Our day start at 7 am at Alandi. After taking tea and breakfast we had moved towards the Pune city. According to the schedule ,we were going to visit the e-Zest Solution Ltd in Hinjewadi. The area was worth the trip. The company has one of the finest architecture we have ever come across.

The visit time was 11:00 AM ,after taking entry in the company ,the company had provided us the afternoon snacks and then the session begins. Firstly we had the interaction with Bhushan sir ,he had told us about the e-Zest.Rules formulated in the company that all are strictly followed by we people and also every employee follows them very particularlyand the cleanliness of the company is meticulously maintained.

□ The e-Zest solution was founded in 2000 by Devendra Deshmukh with facilities in US, Germany, UK and India. There are five main founder of E-zest company - Devendra Deshmukh, Jaywant Deshpande, Amol Pande, Ashish Gupta and Sunil Dane.

□ Mr Sunil Dane sir is the alumini of our collage ,we are specially thankful to him as he had given us the oppportunity to visit their company.

□ e-Zest solution provide software product engineering and enterprise application development services in India and internationally.It designs ,develops, enhance,migrates,tests,and maintains software products and application.

□ Mr Sunil Dane sir addressed us to be informed about new technologies that are emerging day by day across the whole world so that we can improve our skills.

The vote of thanks on the behalf of SSGMCE ,Shegaon was given by the third year IT student Nitisha Agrawal.

05/10/18

Finally the last day of tour had come. The day started with the packing of luggage as we had to leave the holy place Alandi.

After taking tea and breakfast we moved towards the company that is Ramkrishna IT consultancy .

The program started at 11 am, one of our alumini Ms Shubhkirti Patil was just joined the company and she welcomed us on the behalf of company.

The program started with the prayer which is done on regular basic in the company. Mr Vivek Kulkarni sir the founder of the Ramkrishna IT consultancy said their valuable words to us .He spoke about the spirituality and the Sant Gulabarao Maharaj .The name our collage library was given to honour the Gulabarao Maharaj. Shilpa Prabhu mam, Yogeshwar sir and all the members present over there gave us their valuable words to us and inspire us not only to achieve job but to achieve a good carrier .Their precious guidelines will always remain with us .

Nitisha Agrawal gave the vote of thanks and the program ended with it.

After this our journey started towards the Shegaon. During travelling we had visited the Ranjangaon the place where lord the Ganesha is known as "Mahaganpati".

Then at 7 : 00 AM on 6/10/18 we reached the SSGMCE collage campus.
