About Us

Department of Electronics and Telecommunication Engineering

The Department of Electronics and Telecommunication Engineering is one of the major department of SSGMCE, Shegaon established in 1983 offering programs: Under Graduate, Post Graduate and Ph.D. It is affiliated to Sant Gadge Baba Amravati University, Amravati, recognized by AICTE, New Delhi and approved by DTE, Maharashtra. The Undergraduate program of the Department of Electronics and Telecommunication Engineering has the recognition of being accredited 05 times by NBA, AICTE, New Delhi. The post graduate program was also accredited once by NBA, AICTE, New Delhi. All the laboratories in the department are well equipped to run the program specific curriculum prescribed by the University. All laboratories are recognized and approved as research laboratories for Ph.D. work by SGB Amravati University.

Shri Sant Gajanan Maharaj College of Engineering, Shegaon

Shri Sant Gajanan Maharaj College of Engineering (SSGMCE) was established in 1983 for providing leadership in education and research with a focus on Engineering and technology. Over a period of three decades, about 10,000 students graduated from the Institution with Bachelors and Masters Degrees. SSGMCE Shegaon today is the leading institution globally for education in engineering and management. The institute is committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We strongly support interdisciplinary research and development for the benefit of Industry and Society.
