R/sir,
Greetings of the Day!!!

Shri Sant Gajanan Maharaj College of Engineering, Shegaon, Dist Budhana (MS) is pioneer institute of a region in Engineering education since 1983. We provide all possible support to budding engineers to make them a successful human being in their life.

We, apart from education, impart the suggestions to students to improve the competence to face the future challenges. As a part of the same we provide students an interactive session with successful engineers in different sectors. In accordance with the same, as a part of "Career Guidance: A prospective value addition", interactive sessions are organized at the institute.

Since you are an engineer and in view of the increasing number of engineering graduates in Government Administrative jobs, we invite government officials to deliver their valuable words on UPSC / MPSC Examinations.

Through this letter we would like to invite you to our campus and bestow our students with your experience. Your gracious presence and guidance will surely be helpful to our students to take Govt. Administrative jobs through Competitive Examinations as a career path.

We wish and hope to get positive hearing from your side. The institute will take care of your travel plan and other corresponding responsibilities.

We request you to spare **any date** from **6th to 10th Aug 2022 for the said seminar on Competitive Exams at our campus.**

For further details your office may connect to: Training and Placement officer SSGMCE. Contact No:**Prof. Adesh B Solanke-8390407947/ 9405403745**

Brief Introduction of Resource Person:

The Unique Academy is sincerely committed towards the goal of an egalitarian and democratic society where the discriminatory walls between rich and poor, urban, and rural, upper, and lower castes, men and women, English speaking and vernacular etc do not inhibit the opportunities for the development of one's inner potential. Moreover, it aims to eradicate all such divides. For this to happen, the Academy believes, it is very necessary that the deprived sections of society need be empowered in the real sense of the term. The Unique Academy strongly believes that if the real empowerment of the teeming millions needs to materialize rapidly, the polity and society need to be sensitive towards the prevailing injustices, inequalities, and oppression in society.

Program Overview:

The guidance session was intended to discuss the career opportunities in MPSC/ UPSC Civil Services after engineering, the pattern of the MPSC/ UPSC Civil Services examinations, the importance of competitive examinations for government jobs and the way for the preparation of competitive examinations.

The program was started by Prof. S. D. Padiya, Coordinator of the Career Guidance Cell, SSGMCE with the warm welcome of guests and participants. Respected Sir,

Greetings from SSGMCE Shegaon!

Our College, Shri Sant Gajanan Maharaj College of Engineering, Shegaon, is one of the leading engineering colleges in Maharashtra, recognized by AICTE, New Delhi.

To make the students from our region aware about the services in Indian Defence Organization, we request you to organize a motivational session on Indian Defence Services. Our college students strength is around 1800. We can invite students from neighboring schools and colleges for the benefit of the students. It would be great if we could get your kind approval for the program.

Shri Sant Gajanan Maharaj is our divine source of inspiration and we consider Thursday as an auspicious day. So, we propose to start the campaign on *Thursday*, 4th August 2022 and *Friday*, 5th August 2022. We further request you to kindly arrange the Skydiving performance by the great Akashganga Team. We will arrange for their luxurious stay and food at our college premium guest house. We will take care of their Nagpur-Shegaon-Nagpur Train Fare as well.

It will be our pride privilege to host such a grand and prestigious event.

Looking forward for a positive reply from your side.

Thanking you,

With regards,

Dr. S. B. Somani

Dear Dr Vinay Thute,
Thank you sir for your mail. However, may I request you to forward the following mail for the perusal of my superior officer, AVM MV Rama Rao VM since I need to place it on an official channel through Note on a file. The suggested reply from your end has been prepared with some minor modifications. Please amend as per the strength of the students in your Engineering College i.e. 1,800 or less/more. In case you tender a request for only a day's session on 04 Aug 22 then as per service procedure I need to return to Nagpur by the evening train on 04 Aug only and join duty on the morning 0715 hrs on 05 Aug 22. This will be a very hectic schedule for me. I had apprised JWO Rajesh Patil (retd) on telephone about this prior to replying to your mail but he might have forgotten to intimate you accordingly.
With regards.
Yours sincerely,
Gp Capt AK Paul

Dear Gp Capt (Dr) Amit Kumar Paul,

Good Morning!!!

We are very happy to hear from you about the approval of our proposal by Air Vice Marshal MV Rama Rao VM, SAASO to conduct motivational lectures/direct contact programmes at our Shri Sant Gajanan Maharaj College of Engineering, Shegaon.

You may plan to visit our college by the evening of 03 August 2022 so as to conduct a two days session on 4th August and 5th August 2022 respectively and return by evening train on 05 August 2022. Your efforts will immensely benefit all the 1,800 existing students from various faculties of Engineering and also that of a large number of alumni. Through the knowledge gained about various career opportunities in the IAF in particular and other defence services like Army and Navy in general, many can work diligently towards joining the defence services so as to fulfill their dreams. Since we have more students than the auditorium can accommodate at a time (capacity being1,200) it would be a great favour if you could spread the session for two days. It is also requested that you may also include a basic workshop on the selection process that the students have to face at various Service Selection Boards for four days after the merit list of successful candidates in the written tests are published. Many of our students are very keen to join the Indian Air Force as an officer.

You may also like to present PPTs for student's assimilation and distribute some relevant materials which can act as a motivational factor. Since the large number of existing students and our alumni will have various queries it may not be possible to satisfy their enthusiastic queries within a day. Moreover, this will be the first time that an officer from the IAF or any of the tri services will visit the college to conduct motivational lectures for our students on the avenues to join the defence services.

We will make your stay at our college premium guest house comfortable and you may reserve your onward and return rail tickets from Nagpur to Shegaon accordingly.

Kindly let us know your travel plans and also the names of the other members, if any, who will be accompanying you for the visit, so as to make necessary arrangements.

Thanking you in anticipation.

With warm regards,

Yours sincerely,
Dr Vinay Thute

About Program:

Programme is intended to :

1. What are your aspirations ?
(अरमान (Armaan)/आकांक्षा (Aakanksha)/महत्वाकांक्षा (Mahatvakanksha)
2. What are your natural talents & gifts? (प्रतिभा (pratibha)/ गुण/ भगवान की देन.
3. What are some of your current challenges ? आह्वान (Aavhan)
/चुनौती (Chunauti)/ आपत्ति (Aapatti)

Personality development teaches us to behave and respond positively. Everyone wants to talk to the people who have a positive attitude, good behavior, and smile on their face. People attract to such personalities. It helps to gain respect and acceptance in society, workplace, school, or any organization.

Learning Outcomes:

After successful completion of career Guidance students will have the knowledge and skills to

1. Personality development helps an individual to gain confidence and high self-esteem.
2. Personality development is said to have a positive impact on one's communication skills and the way he/she sees the world.
3. Enhanced Self-Confidence: Personality Development Training helps individuals boost their self-esteem and self-confidence.
4. Through self-awareness and self-improvement techniques, participants learn to believe in themselves and their abilities, which can lead to greater assertiveness and a positive self-image.

Glimpse of Programme:

Students are engaged in various activities organized by Dr Kalindi Bhat.

Personality Development Programme for BE First Year students on 29th & 30th July 2022 by Dr. Kalindi Bhat.

TPO SSGMCE Shegaon <tpossgmce@gmail.com> Tue, Jul 26, 2022 at 6:05 PM
To: "N. A. Patil Sir" <napatil63@gmail.com>, napshegaon@rediffmail.com, HOD ASH <hod_ash@ssgmce.ac.in>

Dear Students,

We have scheduled a **'Personality Development Programme'** for **BE First Year students on 29th & 30th July 2022 in the New Seminar Hall of our college(near the college guest house).** The schedule is given below:

Day	Date	Timing	Topic	Resource Person
Day1	29/07/2022	5:00 pm to 7:00 pm	Personal Excellence Module-2	Dr. Kalindi Bhat
Day2	30/07/2022	8:00 am to 11:00 am	Wholesome leadership development.	Dr. Kalindi Bhat

Last time, on 24th Feb. 2022 Dr. Kalindi Bhat had given a session on personal excellence Module -1.

At that time, Dr.Kalindi madam had given a Pre-programme questionnaire paper containing 3 questions for writing individual's responses to those questions.

Students have to come prepared with the answers of these 3 questions

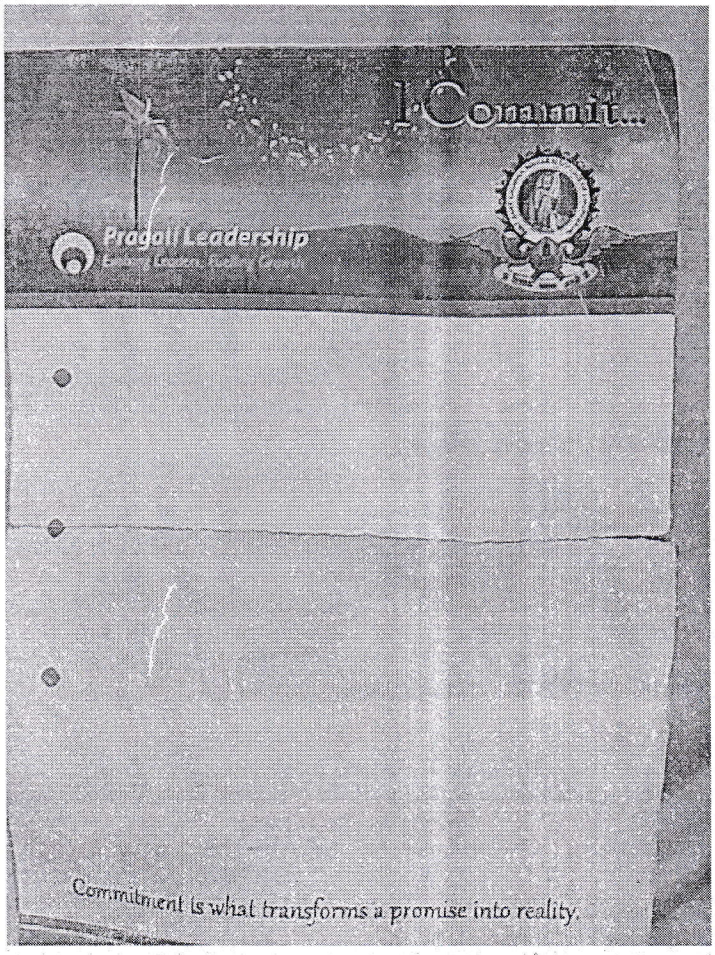

1. What are your aspirations ? (अरमान (Armaan)/आकांक्षा (Aakanksha)/ महत्वाकांक्षा (Mahatvakanksha)
2. What are your natural talents & gifts? (प्रतिभा (pratibha)/ गुण/ भगवा न की देन.
3. What are some of your current challenges ?आह्वान (Aavhan) / चुनौती (Chunauti)/ आपत्ति (Aapatti)

Also, after the programme was over, Dr. Kalindi madam had given "I commit card" to the students to write 3 simple commitments.

If you (student) have done some commitments to yourself at that time and fulfilled it now, then every such individual student have to take a photograph of his/her "I commit card" and such students have to send an email / whatsapp of that photo to Dr. Kalindi madam on her email id: **kalukart@gmail.com (Whatsapp no.9022695771)**

Students should also write what were their top three learnings from the earlier session and where did they apply those learnings.

All the BE First Year students should attend the programme as per the given schedule.

Brief Introduction of Resource Person:

Dr. Pabba holds a prominent position as a Senior Faculty at ACE Engineering Academy, a renowned institution known for its excellence in engineering education. With a stellar academic background and years of expertise, Dr. Pabba has been instrumental in shaping the academic journeys of aspiring engineers.

Program Overview**:**

Webinar on "Career Opportunities for Electrical Graduates & Importance of GATE

Dr. Ramesh Pabba, Senior Faculty at ACE Engineering Academy, Hyderabad, shared his extensive knowledge and expertise in the field. He provided a comprehensive overview of various career paths for electrical graduates, delving into industry sectors, emerging trends, and skill requirements. Dr. Pabba focused on the significance of GATE as a benchmark for higher education and career advancement, thoroughly discussing how a good GATE score can open doors to prestigious postgraduate programs and job opportunities.

The speaker showcased real-world applications of electrical engineering, illustrating the practical relevance of academic knowledge within different industries. Participants engaged in a dynamic question-and-answer session, seeking personalized advice and clarification on various aspects of career opportunities and GATE preparation.

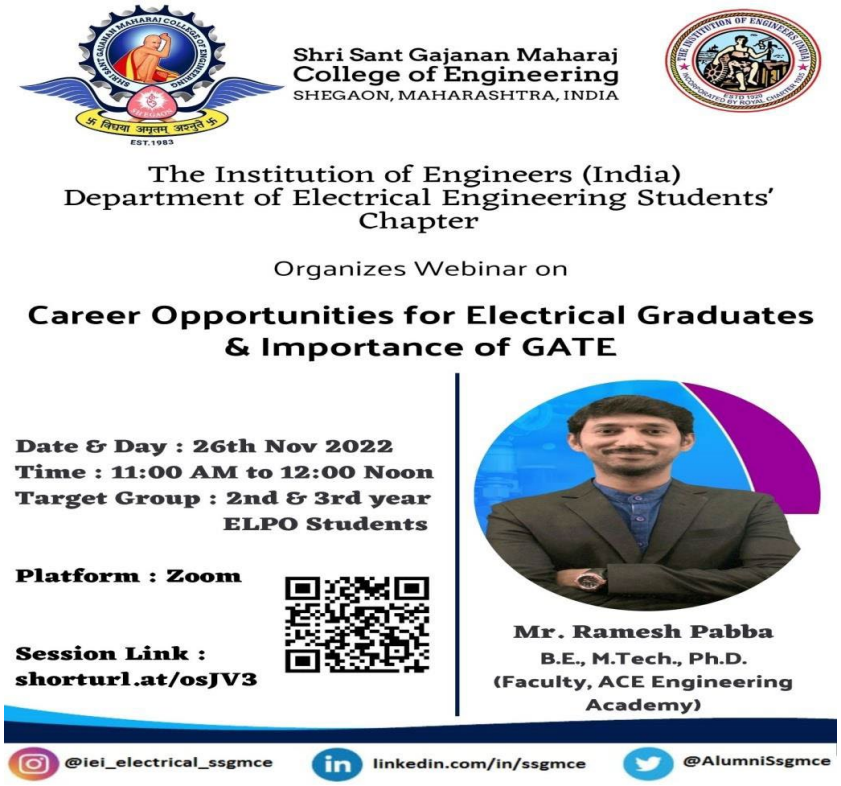

Dr. Pabba shared practical tips and effective strategies for GATE preparation, offering insights into study techniques, resource utilization, and time management.

Learning Outcomes:

1 Students gained a deeper understanding of the diverse career paths available for electrical graduates, exploring industry sectors, emerging trends, and skill requirements.

2 Students had a clearer understanding of the importance of the GATE exam as a pivotal benchmark for higher education and career advancement.

3 The webinar successfully conveyed the practical relevance of academic knowledge by showcasing real-world applications within different industries.

Brief Introduction of Resource Person:

Mr. Tushar Hingne and Ms. Komal Changal (GET, Torrent Power) brought a wealth of knowledge and experience to the session. Their insights, tips, and advice were invaluable for the students.

Program Overview**:**

Guidance session on Torrent Power Placement Drive

The lecture on the Torrent Power Placement Drive, facilitated by Mr. Tushar Hingne and Ms. Komal Changal, provided an insightful exploration into the intricacies of the placement process. The speakers, both professionals at Torrent Power, shared their wealth of knowledge and experience to guide students through the various aspects of pursuing opportunities within the company.

Mr. Hingne and Ms. Changal commenced the session with a comprehensive overview of Torrent Power. They delved into the company's history, values, and its prominent position in the energy sector.

The speakers elucidated the diverse job roles available within Torrent Power, offering detailed descriptions of responsibilities associated with each role. This information was particularly valuable for students' seeking clarity on potential career paths.

The speakers emphasized the essential skills and qualifications Torrent Power looks for in potential candidates. This section served as a guide for students to understand and develop the competencies necessary for success.

Mr. Hingne provided valuable perspectives on what Torrent Power expects from its employees and highlighted potential avenues for career growth within the organization.

Practical tips and strategies for interview preparation were covered extensively. The speakers offered guidance on handling common interview questions and assessments.

Learning Outcomes:

1 Students had a clearer comprehension of the various job roles available within Torrent Power, along with detailed insights into the associated.

2 Students received guidance on the application process, including how to tailor resumes, prepare for interviews, and stand out during assessment

3 The session provided insights into the essential skills and qualifications sought by Torrent Power, motivating students to further develop these competencies

4 The session highlighted potential career growth opportunities within Torrent Power, empowering students to plan their professional development.

Dr. Yogesh Kulkarni visited at the Electronics and Tel. Communication Engineering Department at 9:30am.

Dr. M. N. Tibdewal, Head of the Department welcomes Dr. Kulkarni Sir, latter he visited departmental laboratories and he shown interest to see Fab Lab. The workshop Program session was started at 10:30 am at new auditorium. Dr. R. S. Dhekekar, member IIC and coordinator of the workshop has given the introduction about the speaker. Dr. S. B. Somani Principal felicitated. Dr. Yogesh Kulkarni by offering *Showal* and *Shrifal*.

Program started with the discussion of environment and culture of Vigyan ashram. Vigyan ashram is a carrier center of “Indian Institute of Education”, Pune which has developed a unique program “Rural Development through Education System (RDES). Dr. Kulkarni Sir narrated with some successful stories of entrepreneurs and with his effort how they turn drop out students in to Entrepreneurs and Inventors. He also discussed implementation of innovations in the existing techniques which is implemented by students. He also clarified the fundamental doubts of students about the innovations. He explained how to approach for a startup, Workshop’s objective was to inspire students and help them to understand the innovation and expansion of emerging enterprises.

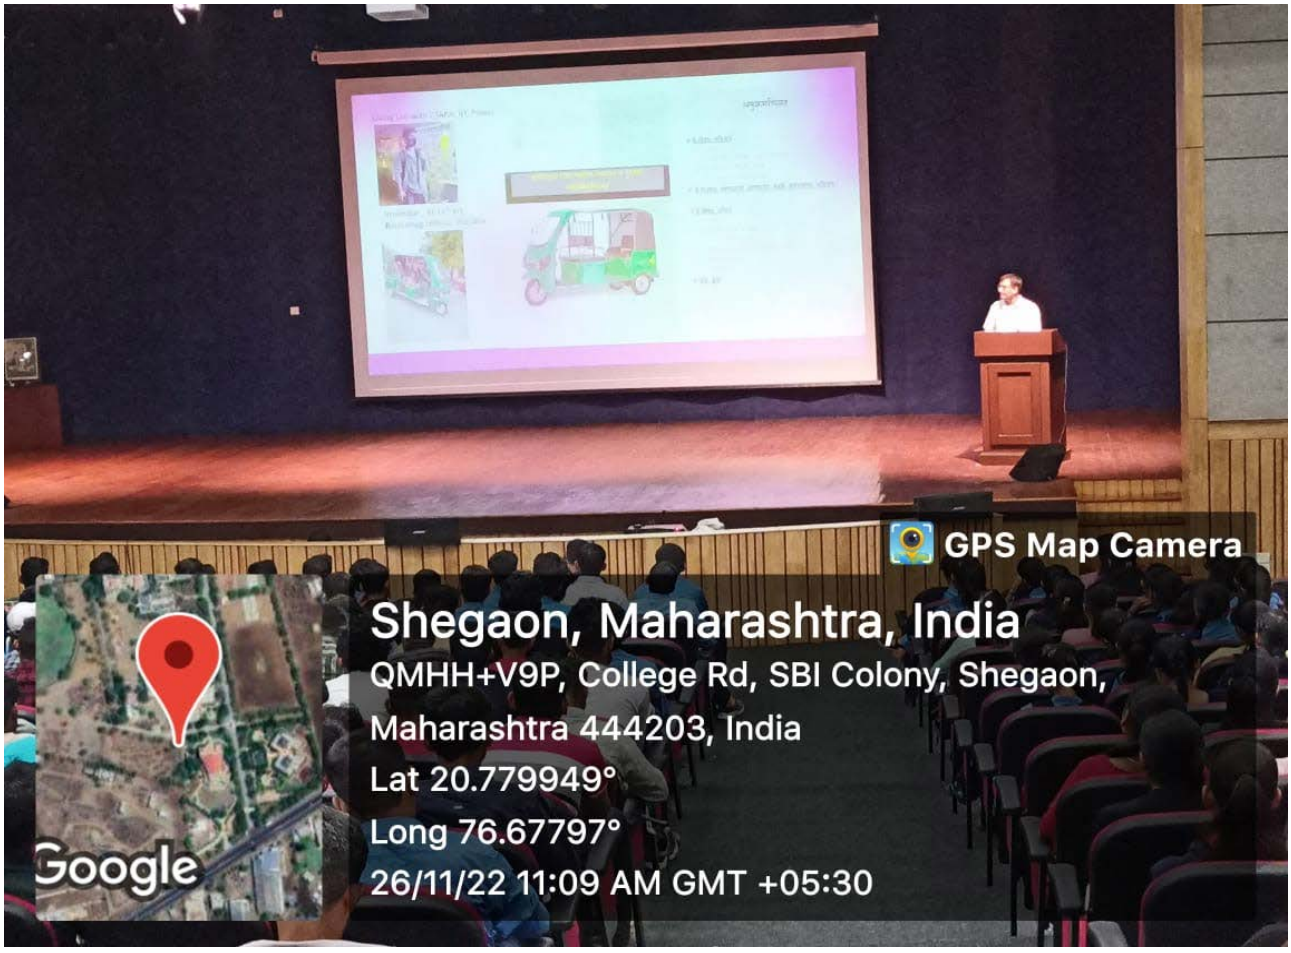

Lastly, Dr. Yogesh Kulkarni interacted with the students. Students asked many question to the sir about “innovation and carrier as well entrepreneurship; Sir answered each one properly from the students. The responses recorded were very positive, promising and motivating to conduct such kind of events. The objectives of the events are fulfilled through such an informative workshop through its impactful contents. This workshop has benefited the student’s community by providing them the right guidance about opportunity for early stage entrepreneurs. Miss. Samruddhi Thote Third year Electronics student delivered the vote of thanks in the last phase and program. Around 30 faculty and 300 students were benefited by this workshop.

Overviewoftheprogram:

Institutions Innovation Council of Shri Sant Gajanan Maharaj College of Engineering, Shegaon organized an expert talk on "Career Opportunities for Youth" on 22nd November 2022 at New Auditorium of the college.

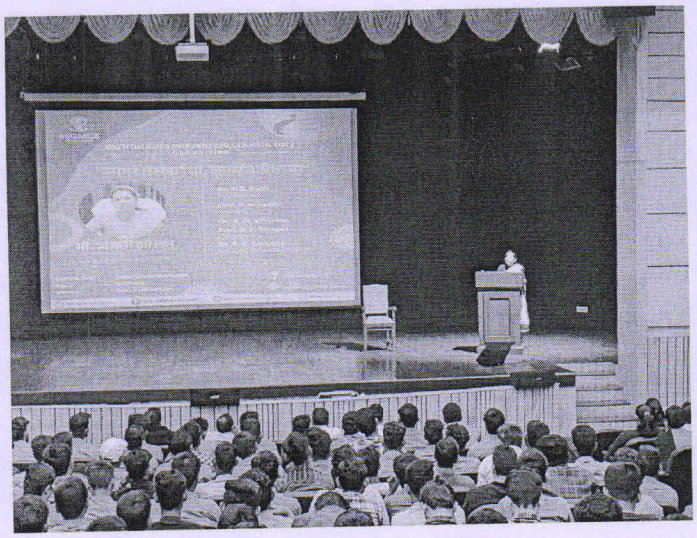

Mrs. PranjaliBaraskar addressed the newly admitted first-year students on "Career Opportunities for Youth". She advised students to have bigger goals in life. Those goals should not be limited to a particular field, she further added.

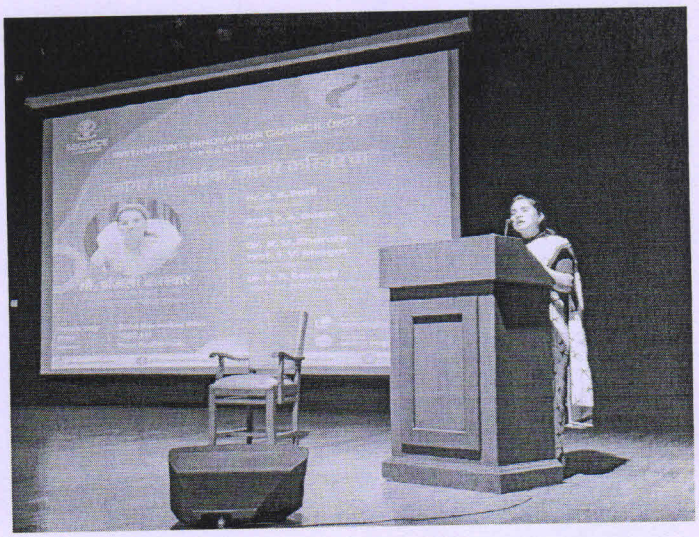

She emphasised the importance of time in life with real life examples and asked students to create a list of success ventures instead of the list of excuses.

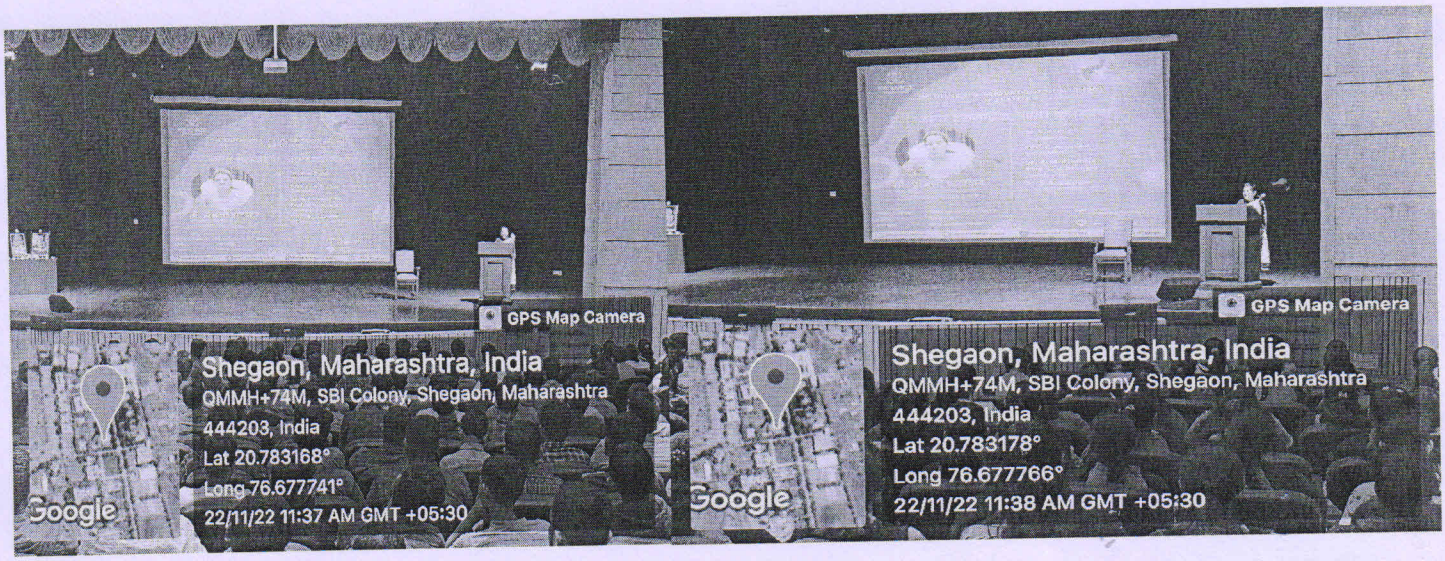

During her session, she talked about women empowerment, importance of morals and ethics in life, importance of reading in self-development and so on.Her session was brainstorming for the students.

She said our thoughts become our action and our action become life, first focus on educating yourself and in parallel understand the power of creation. The session ended with a Q&A session followed by with votes of thanks, giving the participants opportunity to clarify their doubts about entrepreneurship. It was an interactive session with valuable takeaways for all. The session of focus on motivating students forward entrepreneur through the successful entrepreneurs

About Program:

The primary aim of this program is to ensure that students feel comfortable, informed, and supported as they embark on their academic journey at the institution.

Speaker Profile: Mr. Ranjan Kumar, HR Manager, MECON Ltd., (PSU)

Topics Covered: Career Opportunities for Engineers in PSU (Engineering Consultancy)

Learning Outcomes:

1. **Understanding PSU Roles:** It helps students understand the roles and functions of PSUs, particularly in engineering consultancy. This includes learning about the projects they handle, their significance, and their contribution to national infrastructure development.
2. **Career Pathways:** Students gain insights into the diverse career pathways available in PSUs, including various engineering disciplines, project management, research, and development roles. They learn about the hierarchical structure, job roles, and potential growth trajectories.
3. **Industry Expectations:** It provides clarity regarding the skills, qualifications, and competencies sought after by PSUs. This includes technical expertise, project management skills, regulatory knowledge, and sometimes specific certifications or qualifications.
4. **Exposure to Real Projects:** Students can learn about the types of projects undertaken by PSUs in engineering consultancy, gaining an understanding of the scope, scale, and complexities involved. Case studies or examples can offer practical insights into the projects.
5. **Emphasis on Technical Skills:** The lecture highlights the importance of core engineering skills relevant to consultancy roles, such as design, analysis, planning, and implementation of engineering

projects.

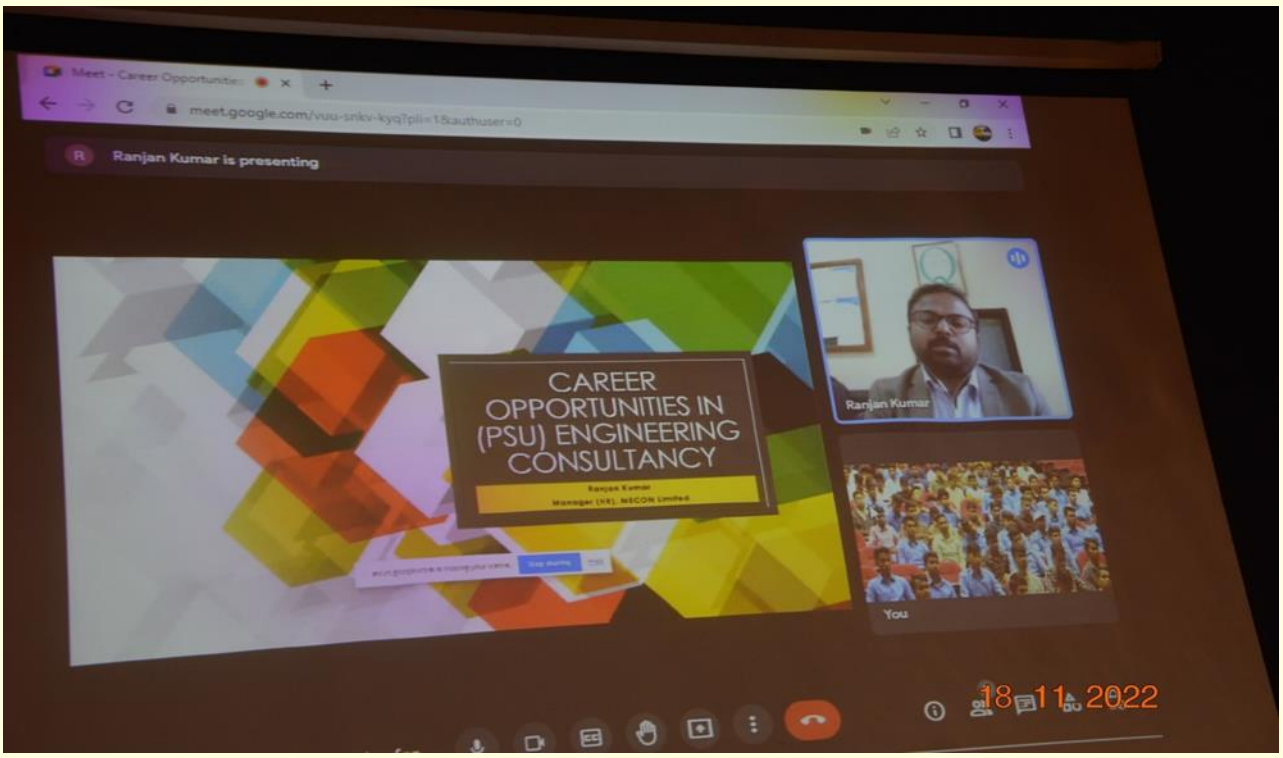

Program Contents:

Program Contents:

Mr. Anup Agarwal delivered a session on " Role of Education in the 21st Century". He addressed the students and stated the importance of education in the 21st century.

He said:

The goal of modern education is to focus on ensuring that engineers and professionals would be Problem solvers, decision makers and energetic.

The problem solving is a very important life skill and students need to leave school with life skills that help them navigate challenges even if they don't know the solutions to them. Most importantly, they need to be comfortable to work with the people around them who have a different background and the experiences.

The teaching methods have upskilled a lot since decades; technology has been a boon to students to explore and grab opportunities.

The amalgamation of Artificial Intelligence, Augmented Reality Automation Robotics, Virtual Reality, digital marketing, and so forth have revolutionized the education sector.

The use of technology has ignited the impact on interdisciplinary learning and research-based innovation.

We cannot replace human intervention in the classroom. An interaction in the classroom is full of emotions, leadership and team skills, peer learning classroom management and questioning.

Modern teaching methodology is focused on analytical skills. The process involves facing challenges in a controlled real time environment, bridging the gap between learning and doing, laying the foundation to prioritize education practises that create an environment that facilitates lifelong learning and engaging students' natural curiosity and boosting development drastically.

The education system is rapidly changing and new ideas are being implemented. The use of simulations leads to leaning being available beyond the brick-and-mortar classroom. This exponentially increases student engagement and ensures higher retention.

The flipped classroom concept opens up the vista for new career options that are inherently important for the Industrial Revolution 4.0. Flipped classroom is the new norm. Study beyond the textbook.

Skill-based education is the need of the future.

Education is not just teaching the prescribed syllabus but opening the mind to multiple possibilities.

Imbibing life skills and preparation for being entrepreneurial in every walk of life.

Peer learning i.e. One student tutoring another in a supervised environment can result in better learning and retention.

This was a wonderful session. Students enjoyed it a lot.

About Program:

Tata Consultancy Services (TCS) and Microsoft have forged a strategic partnership to drive the edge-to-cloud transformation journey, where cloud is the unifying digital fabric. This partnership provides innovative solutions for a holistic cloud adoption journey.

TCS offers future-ready business solutions to reimagine workplaces, implement optimized business processes, and help drive rapid migration and modernization of applications, infrastructure and data platforms. The partnership also leverages TCS' deep domain expertise and Microsoft Cloud capabilities including Microsoft Azure, Microsoft 365, Dynamics 365 and Power Platform.

Sirius is a TCS - MBU Campus Initiative intended to help students find a career opportunity with TCS MBU Unit by getting trained on niche Microsoft cloud technologies and become market ready cloud professionals.

Students would be going through their training on the "The Future ready talent" platform designed by Microsoft post which upon assessment & evaluation by TCS MBU, student will land in a golden opportunity to start their career with TCS MBU in digital cadre and high perks.

Learning Outcomes:

After successful completion of these certifications, students will have the knowledge and skills to

1. Learn and apply knowledge in industry problems.
2. To search new arena of the jobs in future technologies.
3. AZ 900 & Pl 900 certificate are applicable worldwide for the cloud technology domain.
4. Theses certificates will brings an opportunity for BE candidates to Receive Digital Offer with CTC RS.7 LPA.

Seminar Report

Seminar Report on Employability Skills by Rajiv Jawale **Date: August 20, 2022**

Introduction: On August 20, 2022, Mr. Rajiv Jawale conducted an insightful seminar on Employability Skills, aiming to equip participants with essential knowledge and strategies to enhance their employability prospects. The seminar covered a range of topics crucial for career development, including Resume Building and Cover Letter Writing, Effective Communication Skills, Interview Preparation Techniques, Networking Strategies, and Soft Skills Development.

Key Points Covered:

1. Resume Building and Cover Letter Writing: Mr. Jawale emphasized the significance of a well-crafted resume and cover letter in the job application process. He discussed the following key aspects:

Tailoring resumes to specific job roles and highlighting relevant skills and achievements.

Crafting compelling cover letters that demonstrate genuine interest and suitability for the position.

The importance of proofreading and ensuring error-free documents.

2. Effective Communication Skills: Effective communication is a fundamental skill for professional success. Mr. Jawale provided insights into:

Active listening and empathetic communication.

Clear and concise written and verbal communication.

Strategies for improving public speaking and presentation skills.

3. Interview Preparation Techniques: Preparing for interviews is essential for securing job opportunities. The seminar covered the following interview preparation strategies:

Researching the company and the role.

Practicing common interview questions and behavioral interview techniques.

The significance of body language and professional attire during interviews.

4. Networking Strategies: Networking plays a crucial role in building career connections. Mr. Jawale discussed effective networking strategies, including:

Attending industry-specific events and conferences.

Utilizing online platforms such as LinkedIn for professional networking.

Building and maintaining meaningful relationships within one's professional circle.

5. Soft Skills Development: In today's competitive job market, soft skills are highly valued by employers. The seminar addressed the development of these skills, including:

Time management and organizational skills.

Problem-solving and critical thinking abilities.

Adaptability and resilience in the workplace.

Conclusion: The seminar conducted by Mr. Rajiv Jawale on Employability Skills was both informative and engaging. Participants gained valuable insights into crucial aspects of career development, such as resume building, communication skills, interview preparation, networking, and soft skills. The knowledge and strategies shared during the seminar are expected to significantly enhance the employability of attendees, making them better-equipped candidates in the job market. Mr. Jawale's expertise and interactive approach were appreciated by all participants, making the seminar a success in empowering individuals to achieve their career goals.

The seminar aimed to provide participants with a comprehensive understanding of the role of data analytics in today's business landscape, various career paths within the field, essential skills and tools for success, and insights into the latest trends and advancements in the industry.

Key Points Covered:

1. Understanding the Role of Data Analytics: Prof. Husain began the seminar by highlighting the pivotal role of data analytics in today's business world. Key takeaways included:

An overview of how data analytics empowers organizations to make data-driven decisions.

The impact of data analytics on improving operational efficiency, customer satisfaction, and competitive advantage.

Real-world examples of successful data analytics applications across different industries.

2. Discovering Various Career Paths: The seminar provided insights into the diverse career opportunities available within the field of data analytics:

Roles such as data analyst, data scientist, business intelligence analyst, and machine learning engineer.

The significance of domain expertise in tailoring data analytics careers to specific industries, such as healthcare, finance, and marketing.

The potential for entrepreneurship and consultancy in data analytics.

3. Essential Skills and Tools: Prof. Husain emphasized the critical skills and tools required for a successful career in data analytics:

Proficiency in data manipulation, statistical analysis, and data visualization.

Familiarity with programming languages such as Python and R, as well as data analytics tools like SQL and Tableau.

Soft skills including problem-solving, critical thinking, and effective communication.

4. Insights into Latest Trends and Advancements: The seminar delved into the dynamic nature of the data analytics field and the latest trends:

The rise of machine learning and artificial intelligence in data analysis.

The importance of ethical data usage and compliance with data privacy regulations.

The emergence of big data and the need for scalable analytics solutions.

Conclusion: The seminar on 'Career in Data Analytics' conducted by Prof. B.T. Husain was a highly informative and inspiring event for all participants. Attendees gained a deep understanding of the significance of data analytics in contemporary business operations and decision-making. Moreover, they were exposed to the multitude of career paths available within the data analytics field, from traditional roles to innovative opportunities.

Prof. Husain's emphasis on the essential skills and tools necessary for a successful data analytics career resonated with the audience, equipping them with valuable insights into the practical aspects of the profession. Furthermore, the discussion of the latest trends and advancements in the industry left participants with a forward-looking perspective, helping them stay updated and competitive in this rapidly evolving field.

In conclusion, Prof. Husain's seminar served as an invaluable resource for individuals interested in pursuing a career in data analytics. It left attendees inspired and informed, with a clear vision of the diverse opportunities and the skill sets required to excel in this dynamic and data-driven profession.
