NOTICE

Date: 01/10/2018

All the students of all years i.e. from first year to final year are hereby informed that a "Cleanliness Drive at Campus" has been organized tomorrow on occasion of Gandhi Jayanti.

All the faculty members and students are requested to participate in this drive as per their convenience.

Principal

Copy to:

1. All Heads-for information and display on notice boards
2. Hostel Office-for display on all hostel notice boards

Circular

We all have been using water wisely. Day by day the water level is getting deeper. So water is not available in sufficient quantity. Apart from us, trees, animals and other living things also need water.

Considering all the above aspects we want to point out that we should use minimum amount of water so that the natural balance is maintained. When we go out of the house, we have to take care of things like turning off the faucet regularly, spilling less water etc.

This is what the college expects from you.

Also electricity should be used as per requirement so that electricity can also be saved.

Everyone should note the above matters strictly.

Principal

Copy:

1. Staff Colony
2. To all departments
3. Chief Householder - For distribution
4. Construction Department

Green Campus Initiatives

From Paper to Pixels: Transforming Office Communication

The institution has implemented a paper-minimization policy for all official and academic communications, prioritizing E-Communication to significantly reduce paper consumption. To prevent paper wastage, one-sided blank pages are utilized for documentation. All college staff members have been provided with college E-mail IDs, facilitating official college-related correspondence through electronic means. Furthermore, WhatsApp groups have been established based on class, department, and committees, reducing the need for paper-based notices and circulars.

Sustainable Paper Waste Management

The paper waste of SSGMCE is consistently and responsibly handed over to M/S Raj Industries Jalgaon on a regular basis. They efficiently utilize this waste to produce pulp, which in turn is utilized in the manufacturing process of various products such as cardboard, paper napkins, and other paper-based goods. This sustainable practice not only helps in proper waste management but also contributes to the production of eco-friendly materials.

<p style="text-align: center;">M/S RAJ INDUSTRIES</p> <p style="text-align: center;">Deal's in – Processing of Waste Paper Bells, Processing in Waste Paper Cutting & Waste Paper Supplier to Kraft & Board Mills H-8/9-15 MIDC AREA JALGAON, Dist. Eco-Friendly Landscaping:

The institute has set up a dedicated nursery and greenhouse on campus, with a primary emphasis on herbal plantation. Towering trees such as Neem, Wad, Pipal, Chinch, Goolmohor, and others adorn the lush green landscape throughout the campus.

Within the greenhouse and nursery, a diverse range of medicinal herbal plants are cultivated, including Brahmi, Ashwagandha, Shatawari, Aloe vera, Amla, Moringa, Tulsi, Indian Bael (Bilva), Cassia, Nilgiri, and more.

Talking Tree App:

The institution has implemented a "Talking Tree" app, offering users a comprehensive platform to engage with trees. Beyond identifying various tree species through QR code scanning, the app fosters environmental awareness by providing detailed information on each tree's common and scientific names, characteristics, habitats, and ecological significance. Moreover, the app offers an extensive array of educational content about trees, ranging from conservation practices to sustainable forestry techniques. Thus, this app also supports the broader goals of green campus initiatives by promoting environmental awareness, sustainability, and community engagement.

श्रीसंत गजानन महाराज अभियांत्रिकी महाविद्यालयाचे वृक्षारोपण

◆ शोगाव, १४ जुलै
शासनाच्या १३ कोटी वृक्षलागवड मोहिमेला चालना देण्यासाठी श्रीसंत गजानन महाराज अभियांत्रिकी महाविद्यालयातील राष्ट्रीय सेवा योजने अंतर्गत वृक्षलागवड मोहीम हाती घेण्यात आली.

आपण अन्नाशिवाय एखादा दिवस, पाण्यावाचून एखादा तास जीवंत राहू शकतो, मात्र हवेतील ऑक्सीजनशिवाय क्षणभर सुद्धा जीवंत राहू शकत नाही आणि ऑक्सीजन निर्मितीचे सर्वात मोठे कार्य परिसरातील वृक्ष करीत

वृक्षारोपणप्रसंगी उपस्थित प्रा. नितिन ठाकरे व विद्यार्थी

असतात. म्हणून दिवसेंदिवस पर्यावरणाची जी छेड काढली जात आहे त्यात मानवी जीवनाला मोठ्या

नुकसानीला सामोरे जावे लागणार आहे. म्हणूनच वाढत्या प्रदूषणाला व पर्यावरणाला संतुलित ठेवण्याचे

आम्ही सदैव काम करू, अशी शपथ विद्यार्थ्यांकडून घेण्यात आली.

पर्यावरणाचा न्हास झाल्यास मानवी जीवनाचा घात होणार आहे. म्हणून वृक्षारोपण ही काळाची गरज बनली आहे, असे प्रतिपादन महाविद्यालयाचे प्राचार्य एस.बी. सोमार्णी यांनी केले. यावेळी ४० विद्यार्थ्यांनी या मोहिमेत यशस्वीरित्या सहभाग घेऊन ५० विविध वृक्षांची लागवड केली. यशस्वीतेसाठी प्रिन्स झोड, रिशेश चव्हाण, मोहित व्यास, रोहण पाचपोर, संकेत बोरिया, आर्दनी सहकार्य केले. (तथा वृत्तसेवा)

Energy Conservation: Promoting Awareness for a Sustainable Future

The institute has taken proactive steps to promote energy conservation by creating awareness through visually striking posters placed strategically across campus. These posters effectively communicate the significance of conserving energy resources and encourage students, faculty, and staff to adopt energy-saving practices in their daily activities
