

SHRI SANT GAJANAN MAHARAJ COLLEGE OF ENGINEERING, SHEGAON
ANTI-RAGGING COMMITTEE (Session 2020-21)

ANNUAL REPORT

The Anti-Ragging Committee at Shri Sant Gajanan Maharaj College of Engineering (SSGMCE), Shegaon, stands firm in its resolve to uphold a zero-tolerance policy towards ragging and harassment on campus. Throughout the academic year 2020-21, the committee has been actively engaged in multifaceted efforts to create a safe and nurturing environment for all students.

At the forefront of these endeavours were comprehensive orientation programs designed to familiarize incoming and existing students with the institution's stringent anti-ragging policies and the legal ramifications associated with such misconduct. These programs served as a crucial foundation for instilling a culture of mutual respect, empathy, and responsibility among the student body, emphasizing the collective responsibility of every individual in maintaining a conducive learning environment.

In addition to awareness initiatives, the committee implemented robust monitoring mechanisms to promptly identify and address any instances of ragging. Regular patrols conducted by committee members served as effective deterrents against potential incidents of harassment. Furthermore, the contact numbers of the members were displayed on website and notice boards to make sure that students can report ragging incidents or seek assistance, ensuring swift intervention and support for victims.

The concerted efforts of the Anti-Ragging Committee culminated in a successful academic year with zero reported cases of ragging during the academic year 2020-21, underscoring the efficacy of the committee's proactive measures and the collective commitment of the SSGMCE community towards fostering a culture of respect, inclusivity, and safety.
